Dear Woodbury Middle School PTO,

I am writing to request funding for a classroom set of novels to be used in one of the current Language Arts department classrooms. We are working to build a classroom library in each room (there is extensive research that shows positive reading growth when books are readily available in the classroom) and these novels would be a great way to encourage students to read and improve their reading skills. We have started this process by requested funding from other sources; however, we are one classroom short.

I am also requesting a classroom set (thirty copies) of *Boy at War* by Henry Mazer to complete a literature set of books relating to our eighth grade unit on the Holocaust.

I would like to present this proposal (or another English Dept. member) at the PTO meeting in March.

The total for both requests is \$799.05 (please see attached). I greatly appreciate your consideration.

Thank you,

[Erin Kerttula](#)
